To,

Safe Safer Team

Transport Corporation Of India Ltd.

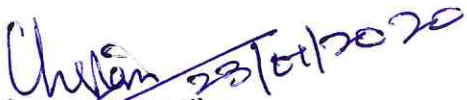

We would like to thank you for the excellent program organized by your team Transport Corporation of India Limited (TCIL) at our location i.e. LPG Bottling Plant, Village Bhoose, Chakan Shikrapur Road, Distt Pune.

The program was very well presented in the form of Nukkad Natak which was well appreciated by Drivers. Training program was very successful and we are sure that this program will be helpful in reducing the accidents and will improve the driver's driving habits.

We sincerely appreciate your efforts and initiative. Further requesting you to organize such training program at our location on regular basis.

Yours sincerely

For Indian Oil Corporation Limited
